ECU Part # Look Up

CONSULT-III plus software supports blank ECU programming.

When you purchase a CONSULT-III plus reprogramming file, you will get a zip file containing a data file(.dat, .kwp, .pdx, .xcal, .7z), a .csv or .xml file and a Reprog_readme.pdf.

This page provides you access to the following items:

- ECU after programming Part #, which will be used to determine the correct ROM part #.
- ECU TYPE-ID Part# which are essential for configuring the new ECU.
- Download access to the EPC link "FAST" file which may be required when programming the new ECU.

Enter the 17- digit VIN to retrieve the vehicle information:
